

*It's playtime in the house of fiction...*

**Your host, Salacious Larry,  
invites you to join him on  
a literary excursion into  
the art of storytelling...**

A satirical take on the misery memoir, and a romantic comedy with a difference, *Larry's Lessons* is a fictional autobiography that tells the story of Larry Tonks, a precocious mathematician, who loses his virginity at the age of 50, and earns a fortune by ghostwriting for the celebs.
